2. _____
3. _____

Travel Guide to Your Hometown (Instructions are different from textbook)

Pretend you are writing a travel guide to your hometown. Think of several interesting places that foreigners might want to visit and then write a short description of those places. Remember, you are trying to “sell” your hometown to foreign guests so try to make your descriptions as interesting as possible.

score ____/15

When you are finished with all the activities, check your own work with the answer key at the bottom of this page. Write the scores for each activity.
